

## **ROAD SAFETY POLICY**

Mumbai International Airport Limited (MIAL), is committed to ensure safety of all users of airside and landside roads at Chhatrapati Shivaji Maharaj International (CSMI) Airport.

In upholding our commitment to road safety, it shall always be our endeavour to continually improve road safety management at CSMI Airport as well as safety of employees when they undertake work related travel outside CSMI Airport.

In pursuit of the same, we are committed to:

- Ensure appropriate designing of roads at CSMI Airport, it's construction, operation and maintenance;
- Identify potential hazards which might contribute to road safety occurrences and conduct risk assessments to eliminate or control the risks arising out of such situations;
- Comply and enforce all applicable legal and other requirements for road safety;
- Provide appropriate resources aimed at achieving highest reasonable standards of road safety and meet or exceed national and international standards;
- Maintain both motorized and non-motorized vehicles , clean and roadworthy condition in order to minimize adverse safety and environmental effects of vehicle operation;
- Ensure that employees and stakeholders who drive and use vehicles in the course of their work demonstrate safe, efficient driving skills and other good road safety behaviour at all times.
- Engage non-airport vehicle operators visiting CSMIA in road safety initiatives to ensure passenger safety;
- Promote awareness about the various aspects of road safety amongst the employees and stakeholders through education, training and campaigns;
- Review the effectiveness of road traffic safety management system on a regular basis and take all steps necessary to achieve continual improvement.

It shall be the earnest effort of every staff to integrate all aspects of MIAL's Road Safety Policy in their daily work life so as to promote road safety environment at CSMI Airport.

**Prakash Tulsiani**  
Chief Executive Officer
