

## **Chhatrapati Shivaji Maharaj Mumbai International Airport witnessed a Boost In Travellers During The Rakhi Week**

---

With travel restriction easing down in various states, enthusiast travellers have finally shown an upward trend in passenger traffic at Mumbai International Airport. About 316,118 passengers passed the security checkpoints at Mumbai International Airport during the Raksha Bandhan week i.e. between 16<sup>th</sup> August to 22<sup>nd</sup> August 2021, which is 6 times more compared to last year where only 55,875 travelled between 31<sup>st</sup> July 2020 and 4<sup>th</sup> August 2020. The Raksha Bandhan weekend from 20<sup>th</sup> to 22<sup>nd</sup> August 2021 saw an influx of passengers from across the country and witnessed 142,321 passengers both travelling in and out of Mumbai International Airport. The weekend from 20<sup>th</sup> to 22<sup>nd</sup> August 2021 observed highest arriving passengers from Delhi with 12,118, followed by Bangalore with 6,674 and, Goa with 5,484 passengers. While the top three destinations at departures were Delhi with 12,389 passengers, Bangalore, and Hyderabad with 5,199 and 3,770 passengers respectively.

With major festivities approaching, and government extending flying capacity to 65 per cent, Mumbai International Airport is expected to witness a surge in travel to destination across India during the festive period. With flying emerging as the safe and preferred option, more number of passengers are expected to fly from the airport in the following months. Mumbai International Airport is continuously working towards its passengers' wellbeing and safety and ensuring it assists them with high-quality standards and a world-class travel experience. Mumbai International Airport continually strives to provide the best services and facilities to its passengers to ensure a seamless and memorable experience of their journey.

**About Mumbai International Airport Limited (MIAL):**

Mumbai International Airport Limited (MIAL) is managed by Adani Airport Holdings Limited (AAHL), a subsidiary of Adani Enterprises, the flagship company of the globally diversified Adani Group. MIAL is a Public-Private Partnership (PPP) venture between AAHL, holding a majority stake of 74%, and the Airports Authority of India, holding the rest 26%. AAHL aims to converge India's biggest cities in a hub and spoke model through the Group's proven strength in developing and managing complex transport & logistics hubs.

With a strong understanding of modern-day mobility requirements, the Adani Group's vision for MIAL is to reinvent Mumbai International Airport as India's biggest aerotropolis, where the traditional airport nucleus of passenger and cargo infrastructure will be reinforced by interdependent clusters of commercial and residential infrastructure to create the nation's busiest airport ecosystem.

MIAL has been further envisioned as a global air-travel focal point where domestic and international flyers actively engage in business and leisure supported by metropolitan expansion that catalyses aviation-linked businesses and employment opportunities. At MIAL, we intend to create distinctiveness with an experiential offering that puts Mumbai first.
